A lawsuit has been filed in The Hague tribunal to stop the compulsive vaccines in Israel

A complaint was filed with The Hague Tribunal by Adv. Ruth Makhanskowski and Adv. Arieh Suchowolski on the subject: **Violation of the Nuremberg Code by the Government of Israel and other parties**

Ruth Kiryati 21 Adar 5731 | **Friday 5 March 2021** | Israel News system

The "People of Truth" organization filed a complaint with The Hague Tribunal against the Israeli government conducting illegal experiments on Israeli citizens, through Pfizer. A complaint filed with The Hague Tribunal reads as follows: "This is an association whose members are lawyers, doctors, activists Public and general, who have chosen to exercise their democratic right not to receive the experimental medical treatment (Corona vaccine), and feel that they are activated they are under great, severe and illegal pressure from the Israeli government, Knesset members, ministers, senior public representatives, mayors and more.

In the FDA - we want to start with a basic knowledge on the subject: Corona virus is an innovative medical treatment, which has only recently received the approval of the Alliance (emergency procedure only), non-final approval, with details on 22 vaccine side effects. In addition, it is clear to all medical factors that the issue of the long-term impact of the treatment has not been scientifically investigated (testing and research), and the long-term impact and safety of the treatment on its recipients are unknown. It is important to note that the body has never been given so far and all previous vaccines have worked completely differently, by introduction of a disabled or attenuated virus and natural arousal of the immune system against it. As detailed by a senior virologist, the risks expected in treatment.

This innovative medical is hereby attached as Appendix 1 to my letter.

"Nuremberg Code" - a code of medical ethics issued on the basis of laws under which Nazi criminals were tried for conducting horrific medical experiments during World War II, in the doctors' trial known as the Nuremberg Trials. The Nuremberg Code later formed the basis for the enactment of the Helsinki Declaration as well as the basis for the Patient Rights Law in Israel. We intend to present to you and detail how in the State of Israel this year, the Israeli government, along with its ministers and members of the Knesset, mayors and other senior officials, are blatantly, blatantly violating the Nuremberg Law and extremists, and unfortunately, not just in one aspect but many, too many!

A. **Conscious consent to participate in a medical experiment** - The first principle of the Nuremberg Code is the willingness and informed consent of the person to receive treatment and participate in the experiment. The person should exercise the freedom of choice without the intervention of an entity that exercises power, deception, fraud, threat, solicitation, or any other type of binding or coercion. When the heads of the Ministry of Health and the Prime Minister introduced the vaccine in Israel and began vaccinating residents Israel, vaccines have not been recommended, because in practice they take part in a medical experiment and that their consent is required according to the Nuremberg Code, and only when it became clear that the Prime Minister had indeed signed an agreement with Pfizer (the manufacturer), it was first published and also stated by the Prime Minister. The government, because this is indeed a medical experiment, and that this was the essence of the agreement. This is, in fact, a genetic medical experiment in humans, performed without consent knowingly and under serious and blatant violation of the Nuremberg Code.

B. **Bibi-Pfizer Agreement.** After the incident, it became clear that the Israeli prime minister had signed an agreement with Pfizer (the manufacturing company). As part of this he will receive a huge amount of millions of vaccine doses, and in preference over other countries, and given that, the vaccines (residents Israel) will serve as "experimenters" for the pharmaceutical company. It was agreed that the pharmaceutical company would receive from Israel all the confidential medical information, personal without their prior knowledge or consent. In addition, we must note that up to this moment the content of the agreement related to most of the residents of the State of Israel has not been published in transparency required by law, and is published in the "blackout" / concealment of much information contained in this agreement. It is worth noting and remembering that we are not alive in the state of the dictatorship so clear, such an agreement must be subject to complete transparency towards the general public.

C. **Alternative therapies** - regarding informed consent for medical treatment, and on the basis of the principles of the Nuremberg Code, there is an obligation to specify and offer the patient a number of treatment alternatives, detailing the medical process (and everything included in it) as advantages and disadvantages / advantages and risks, that exist in each treatment, to enable it make an informed personal decision about the treatment he prefers. As stated, this should be done without exerting pressure and freely as a free person. Despite all of the above, the State of Israel and the Ministry of Health are unable to present to the citizens of Israel the alternatives that currently exist for the treatment of coronary heart disease, which have been proven to be effective and without a few side effects and are not dangerous. They ask the citizens and press them (while blatant violation of the informed consent process), conceal information about vaccines and create a difficult atmosphere of fear and coercion.

D. **A fourth principle is that the experiment will be performed to prevent suffering or physical injury.** The treatment is known to have caused the deaths of many, injuries and serious injuries (including disability and paralysis) after vaccination. Despite this fact, the government did not order an investigation into the matter. It is interesting to note that the Ministry of Health openly admitted that 41% of the vaccinated, police, military, education and medical personnel suffered severe and life-threatening side effects. Wonder too because there are no full reports on the number of dead or injured, as one might expect in such a medical process for the benefit of the public participating in the trial.

E. **A fifth principle states that the experiment must not be conducted when there is reason to believe that actual death or injury is occurring.** Regarding a violation of this principle see above. As mentioned, with regard to death data, we citizens hear by word of mouth only on social networks (by friends, neighbors or relatives) and not in the mainstream media.

F. **Another principle is that the person responsible for the experiment will be willing to stop it at any stage if there is a reasonable reason to believe that it will result in injury, disability or death of the trial participant.** It has been proven that many good people died from the treatment, were injured, became disabled and suffered from paralysis However, the Israeli government continues to force this dangerous experiment on the citizens of Israel.

Here are recent publications, demonstrating the blatant and criminal violations of the Nuremberg Code on behalf of the government, ministers and Knesset members, mayors and officials, Senior public factors, and employers:

Exert economic pressure:

1. The Manufacturers Association, backed by a legal opinion, threatens to continue to leave without pay any worker who is not vaccinated.

2. Sher Health, Yuli Edelstein, seeks to enact a law that will prevent vaccinators from entering the workplace.

3. Threat of denial of unemployment benefits

Exert social pressure:

1. Threat to prevent entry to recreation, leisure and receiving services from the community

2. Artists, opinion leaders and public representatives in every corner choose to do oropaganda and aggressively and insultingly even offer punishment and sanctions. (MK Ayelet Shaked, MK Smutrich, Sharet Health Edelstein, MK Bennett, the morning program of Avri Gilad Mareh, the singer Yoram Gaon, Judy Nir Mozes and others)

3. Instruments a vehicle with public address systems that roam the streets and call on people to get vaccinations, aggressive calls and messages from insurance companies health, and even scheduling appointments for vaccines without the will of the insured and more.

Forbidden Incentives for The Vaccinated:

1. **Receiving a free night at the hotel, vacation days and more** offered by various company owners to their employees.

2. **Discounts at various business establishments, private and public, as well as card benefits promoted by the Prime Minister of Israel** have repeatedly stated that Israeli citizens take participate in the same innovative medical experiment for the benefit of all citizens of the world, who for some reason are in no hurry to achieve the above medical treatment, and they looking forward to seeing the Israeli experimenters. The same is true of the agreement that the government signed with Pfizer, blackened in places many, and raises questions about the agreements the government has reached with Pfizer. It is hereby emphasized that the means currently employed against citizens, including a legislative proposal against those who are not immune, contradict not only the Nuremberg Code and the autonomy of the individual over his body, but also the existing legislation in Israel, including the people with dignity and a basis for freedom. The law, the Freedom of Occupation Act, the Patient Rights Act, the Equality Act Opportunities at work, prohibition of discrimination in products, services and entry to recreation and public places, and other laws.

Therefore, and taking into account the above, we address in your honor these main requirements:

1. To **stop the medical experiment and the administration of vaccines** to the Israeli public immediately.

2. To **direct the Government to take all legislative proceedings that violate the principle of the informed consent** of a person to receive the medical treatment described above, and which denies the legal status in Israel and Israeli democracy, including the avoidance of the green passport legislature, the submission of names of those who are not vaccinated to local authorities, or any other legislative violation.

3. To **act with the most necessary severity against any public / business / employment entity that violates state laws on labor or issues the others required to prevent coercion, coercion or solicitation for the vaccine, as well as the issue of discrimination**, towards those who have chosen not to receive medical treatment the innovative mentioned above.

4. We would like to note that **a copy of this document will also be forwarded to media outlets around the world for breach of code Nuremberg.** Relevant in all countries of the free world.

5. As a final remark, it should be noted that **a decision has only recently been reached in the European Parliament on 77/1/21, and ordered all authorities not to put pressure or solicitation on people to take the vaccine in Corona in any way.** Therefore, all "What is good for the advanced European countries is definitely good for Israel as well - and the balance is self-explanatory."

Advocate Ruth Makhanskovsky told Israel News that "at the same time, the complaint will also be filed in the court in Nuremberg, together with the German lawyer Reiner Fuellmich. On Monday, the High Court will be filed by and by Aryeh Suchowolski in Israel, regarding the violation of the Nuremberg Code."

BEFORE THE INTERNATIONAL CRIMINAL COURT
(TREATY OF ROME, ART. 15.1 AND 53)
IN THE MATTER OF CRIMES AGAINST HUMANITY

Subject of complain: **Violation of the Nuremberg Code by the Government of Israel and additional factors**

We address you in the name of the "Anshei Emet" Fellowship, a fellowship under establishment, in which the members are attorneys, physicians, public and general activists, who made a choice to exercise their democratic right not to receive the experimental medical treatment (Corona Immunization), and who feel that great pressures, hard and illegal, are exerted upon them on behalf of the Government of Israel, members of the Knesset, ministers, senior public elected representatives, heads of cities and more.

We wish to begin with basic knowledge on the subject matter:

The Corona Virus is an innovative medical treatment, which has only recently obtained **FDA approval in the United States (in an emergency procedure only)**, an approval that is not final, and with details of 22 side effects to the vaccine. Additionally, it is clear to all the medical factors that the subject of the long-range influence of the treatment was not scientifically tested (testing and research), and the long-range effect and safety of the treatment on its recipients are unknown. T is important to state that never until now were administered in the

entire world immunizations by this medical technology of introduction of a synthetic M-RNA to the body, and all the previous immunizations operated in a totally different manner, by the introduction of a deactivated or weakened virus and natural arousal of the immunity system against it. As detailed by a senior virologist, the risks anticipated by this innovative medical treatment are hereby enclosed **as Appendix 1** to my letter.

"Nuremberg Code" – A medical ethics code issued based on laws under which the Nazi criminals were judged for conducting horrible medical experiments during the Second World War, in the physicians' trial known by the name Nuremberg Trials. The Nuremberg Code later constituted the base for the Helsinki Declaration Legislation as well as the base for the Patient's Rights Law in Israel.
It is our intention to present to you and detail how in the State of Israel this year, the Government of Israel with its ministers and its Knesset members, heads of cities, and additional senior factors, violate the Nuremberg Code in an unlawful manner, blatant and extreme, and to our regret, not only in a single aspect but many, too many!

,

a. Informed consent to participate in a medical experiment – **a first principle** of the Nuremberg Code is **a willingness and informed consent by the person** to receive treatment and participate in an experiment. The person is supposed to activate freedom of choice without the intervention of a factor employing force, deceit, fraud, threat, solicitation, or any other type of binding or coercion.
When the heads of the Ministry of Health as well as the Prime Minister presented the vaccine in Israel and began the vaccination of Israeli residents, the vaccinated were not advised, that in practice, they are taking part in a **medical experiment** and that their consent is required for this under the Nuremberg Code, and only when it became apparent that indeed the Prime Minister signed an agreement with the Pfizer Company (the manufacturer), it was first published and also stated by the Prime Minister, that it is indeed a medical experiment, and that this was the essence of the agreement. This, as a matter of fact, is **a genetic medical experiment** on human beings, performed without informed consent and under a severe and blatant offense of the Nuremberg Code.
b. **The Bibi-Pfizer Agreement.** Post factum it became clear that the Prime Minister of Israel signed an agreement with the Pfizer Company (the manufacturing company), under which he will receive a huge quantity of millions of vaccine portions, and with a preference over other countries, and in consideration, the vaccinated (residents of Israel) will serve as "**Experimenters**" for the pharmaceutical company. It was agreed that the pharmaceutical company would receive from Israel all their medical, personal secret information without their knowledge or consent in advance. Additionally, we must state that until this moment, the contents of the agreement related to most of the State of Israel residents, was not published, which is the transparency obligating under the law, and it was published with "blackout" / concealment of a great deal of information included in this agreement. It is worthy to state and recall that we do not live in a

dictatorship country so that clearly, such an agreement must be subject to total transparency towards the wide public.

c. **Alternative treatments** – On the subject of informed consent for medical treatment, and based on the Nuremberg Code principles, an obligation exists to detail and suggest to a patient several treatment alternatives, detailing the medical process (and all that is included in it) as well as the advantages and the disadvantages/benefits and risks, existing in every treatment, to enable him **to make an intelligent personal decision** regarding the treatment he prefers. As stated, this must be done without exerting any pressures and freely, as a free person. Despite all the above-stated, the State of Israel and the Ministry of Health fail to present to the citizens of Israel the currently existing alternatives for treating the Corona disease, proven to be efficient and with few side effects, and not dangerous. They solicit the citizens and pressuring them (while blatantly violating the informed consent process), concealing the information regarding the immunizations, and creating a severe atmosphere of fear and coercion.

d. **A fourth principle is that the experiment will be conducted to prevent suffering or physical injury.** It is known that the treatment caused the death of many, injury, and severe damages (including disablement and paralysis) after the vaccine was administered. Despite this fact, the Government did not instruct the initiation of an investigation on the matter. **It is of interest to state that the Ministry of Health openly admitted that 41% of police persons, military, education, and medical personnel, who were vaccinated, suffered severe side effects and life-endangering**. It is also a wonder that there are no full reports of the numbers of dead or injured, as may be expected in such a medical process for the benefit of the participating public in the experiment.

e. **A fifth principle states that the experiment must not be conducted when there is reason to assume that death or real injury will occur**. Regarding the violation of this principle, see above. As stated, regarding the data on cases of death, we the citizens hear only by word of mouth on the social networks (by friends, neighbors, or relatives) and not on the central media.

f. **An additional principle is that the experiment's responsible factor will be ready to stop it at any stage if there is a reasonable cause to assume that it will cause injury, disability, or death of the experiment participant. It has already been proven that many and good died from the treatment, were injured, became disabled, and paralyzed; however, the Government of Israel continues to compel this dangerous experiment on Israel's citizens.**

g. The following are recent publications, which demonstrate the blatant and criminal violations of the Nuremberg Code on behalf of the Government, the Ministers and the Members of the Knesset, heads of cities, and senior public factors, as well as employers:

Below are some examples (out of many) of the Nuremberg Code violations (As shall be enclosed **as Appendix 2** of my letter).

Exert economic pressure:

1. The Manufacturers' Association, backed by a legal opinion, **threatens** to send on unpaid leave every employee who will not be vaccinated.
2. The Minister of Health, Yuli Edelstein, wishes to enact a law that will **prevent the arrival** of unimmunized to a place of work.
3. **A threat** to deny unemployment fees

The exertion of social pressure:

1. **A Threat** to prevent entrance to entertainment, leisure, and receipt of services from the community
2. Artists, opinion leaders, and public representatives, who in every corner elect to make propaganda, and aggressively and insulting manner even propose punishment and sanctions. (Member of Knesset Ayelet Shaked, member of Knesset Smotrich, the Minister of Health Edelstein, Member of Knesset Benet, Avri Gilad morning program host, the singer Yoram Gaon, Judy Nir Moses and others)
3. Vehicles with public address systems roaming on the streets urging people to arrive for vaccinations, conversations and **aggressive** notices by the health insurance companies, and even setting appointments for vaccinations without the insurants' wish, and more.

Forbidden incentives for the vaccinated:

1. Receiving a free night in a hotel, vacation days, and more, offered by various companies' owners to their employees.
2. Discounts in various business establishments, private and public, as well as a benefits card promoted by the Government

The Prime Minister of Israel stated more than once that **the Israeli citizens take part in that innovative medical experiment** for the benefit of all world citizens, who for some reason do not rush to obtain the above-stated medical treatment, and they are looking forwards to see the Israeli experimenters. The same is true regarding the agreement signed by the Government with the Pfizer Company, blacked-out in many places, raising questions regarding the agreements reached by the Government with the Pfizer Company.
It shall be hereby emphasized that the means currently activated against citizens, including legislation proposal against whoever was not vaccinated, contradict not only the Nuremberg Code and the **individual's autonomy over his body** but also the **existing legislation in Israel,** including the Persons Dignity and Freedom Basic Law, the Freedom of Occupation Law, the Patient's Rights Law, the Work Equal Opportunities Law, the Prohibition of Discrimination in Products, Services, and Entrance to Entertainment and Public Places Law, and other laws.

Therefore, and considering the stated above, we address your honor with two main demands:

1. **To discontinue the medical experiment and the administration of vaccinations to the public of Israeli citizens immediately.**

2. **To instruct the Government to step all the legislative proceedings which infringe on the principle of Informed Consent by a person to receive the above-described medical treatment, and which negates the legal status in Israel and the Israeli democracy, including the avoidance to legislate the Green Passport, delivery of names of those who are not vaccinated to the local authorities, or any other harming legislature.**
3. **To act in the most required severity against any public/business/employment entity, which violates the laws of the State on subjects of employment or the other subjects required to prevent compulsion, coercion or solicitation to vaccinate, as well as the subject of discrimination, against those who made a choice not to receive the above-stated innovative medical treatment.**
4. **We ask to bring to your attention that a copy of this document will also be forwarded to the media channels worldwide because the Nuremberg Code violation is relevant in all countries of the free world.**
5. And as a final note, it shall be stated that only recently a **decision was reached in the European Parliament** on 77/1/21, instructing all the authorities **not to activate any pressure or solicitation on persons to take the Corona vaccine in any way.** Therefore, **whatever is good for the advanced European States, certainly is also good for Israel – and the balance is self-explanatory.**
